THE HEROIC FAMILIES BEHIND
AMERICA'S FRONTLINE WARRIORS

THEY SERVE IN SILENT VIGIL

They Serve In Silent Vigil is a 1-hour , OTO & the next installment of the highly respected “Patriot Series. ” The focus of this special is to pay tribute to the heroic service, sacrifices and commitment made by the families of America’s frontline warriors. The program is designed to inspire & educate Americans of all life stages as to the vital role, the hardships & sacrifices, and the remarkable contributions made by the military families of former and currently active & deployed military personnel.

These are personal stories of ordinary American families - men, women & children who bravely stand alone and face that moment when they must wave goodbye and begin an unexpected or unanticipated journey. These are sometimes stories of disappointment, loneliness, and even despair. But, they are also stories showing the power of the human spirit, perseverance, devotion to duty, loyalty & commitment, and indeed, hope for the future.

Above all, this is a tribute to America’s Unsung Patriots – the wives & husbands, the sons & daughters, the mothers & fathers who sacrifice “in silent vigil” and, indeed, serve every hour of every day along side America’s frontline warriors.

Produced by 45 North Communications (creators of *Arlington*, *The Medal* & most recently, *A Nation Remembers...*) in cooperation with The National Defense University Foundation & the Office of the Secretary of Defense, this made for TV event embodies a creative mix of compelling storytelling, emotionally moving historical retrospectives, extensive original interviews with senior military & governmental leaders, and a host of military family members. The program is also produced in stunning high-definition and includes an original music score by Emmy Award winner, David Barrett (Olympics, PBS & NCAA’s *One Shining Moment*).
